Dear Professor Ershov:

Yesterday, I had a conversation with Professor Jack Schwartz of NYU, and he mentioned to me your illness.

Suddenly, many thoughts went through my mind, and many fond recollections came to me. I want you to know how saddened I was by the news of your illness, and that I very much wish you a speedy and full recovery. If there is anything I can do for you, please do let me know. Natalie joins me in wishing you well.

Yours very truly,
